Project No. 93489

**Subject: City of Guelph Water and Wastewater Servicing  
Master Plan Final Report  
Public and Agency Consultation re: Completion**

The City of Guelph Water and Wastewater Servicing Master Plan Draft Report was made available for review on the City's website below on July 23, 2008. Notification consisted of a Notice of Release for Public Review mailed to Agency Contacts on July 14, 2008. The report was made available to the public on the City's website at:

*guelph.ca > living > planning, building, engineering > master plans*

The Draft Report was available on-line for review and comment until January 16, 2009. One response was received and included in the Appendices of the Final Report. The Draft Report was presented to the Community Development and Environmental Services (CDES) committee on July 11, 2008. The CDES committee approved the staff report and forwarded their recommendations to City Council for Council's approval. Subsequently, Guelph City Council on July 28, 2008 approved the staff report which included a recommendation to adopt the Draft Report in principle subject to public comment and finalization. The Final Report was released December 2008 and is now posted on the City's web site. The Final Report will be used by the City as the basis for future studies for specific projects requiring additional environmental assessment review.
