A Note from Michelle

Hello! My name is Michelle Pilgrim and I am the new Community Development Worker for Waverley Neighbourhood Group (W.N.G.). I come to you with a Masters Degree in Social Work, specializing in Community Development and Clinical Practice and several years experience working in the social service sector in Guelph. I invite all community members to contact me and share your program ideas, neighbourhood concerns and volunteer time. I am also available to support individuals and families by providing information about Guelph resources in order to connect people with services. If you are interested in **Free Tax Return Clinics** or **Summer Camp Subsidies** please call me. I plan to be working for the W.N.G. Mondays, Thursdays and alternate Fridays. I look forward to meeting you all.
