Summer Day Camp Update

Each year the Waverley Neighbourhood Group provides an affordable summer day camp program in our community.

This year however, we were not accepted for the summer staff grants that we usually receive, these grants help with the staffing costs of our camp leaders. We had to scramble to come up with enough money to cover our staff expenses, or we would have been at a short fall.

The HRDC division that deals with summer government grants gave us notice that they changed their minds, after issuing us a rejection letter. This is great news.

The planning team has decided through all their earlier meetings what the camp structure is to look like for this year.

Here are the following details:

- Full day camp weeks 1 & 6
- 30 children able to register for each full day camp week
- Full day camp is \$60/week/per child

Weeks 2,3,4 & 5

- 1/2 day camp \$25/week/per child
- 30 children in the am, 30 children in the pm

Any questions please call 519-824-9677

through, we Thank You!!

Thank You goes out to all those that

a huge success!! A special Thank You to Fran
