

About Us

What is West Willow Woods Neighbourhood Group?

The Neighbourhood Group is a non-profit organization supported by a variety of groups including the United Way, the City of Guelph and Family and Children's Services. The Group's mandate is to assist in building a stronger sense of community by developing, organizing, planning, implementing and promoting community based programs, activities and events which meet the leisure and recreational needs of the members of the West Willow Woods Community. To achieve this goal, the WWWNG will, on an annual basis with input from the community, review the activities and events undertaken by the Neighbourhood Group.

Vision Statement

Our Vision is a growing, diverse community of people involved in creating and participating in opportunities that promote a safe, caring and supportive neighbourhood for all.

Aims and Objectives

- Supports children, families and adults
- Provides social, recreational and educational programs
- Acts as a link to community resources and agencies
- Provides an opportunity for neighbours to meet neighbours and to grow together as a stronger community.

Who runs it?

The Leadership Board consists of a group of dedicated community members. The Board consists of a treasurer, administrative/recording secretary, Program Supervision Leader, Community Outreach Supervision Leader, Special Events Leader and general members at large. We are grateful to an army of volunteers who run our special events and programs throughout the year.

There is a small staff team that is managed by the leadership board that runs the children and youth programs, summer camps and outreach services.

For a full list of volunteer positions, please see the [Volunteer](#) section.

The Leadership Board meets on the 2nd Monday of the month. If you would like to attend the next meeting or get more information contact us at wwwng@bellnet.ca
