## Girls' Night Out

We are thinking of starting up a program for grade 7 and 8 girls to meet new people, hang out, learn some new things and have fun.

If you think you might be interested, please call Jackie at 821-9677.

## Getting Involved

Have you been looking to find a way to become more involved in your community?

Our neighbourhood group has some openings on some of our committees. If you are interested in finances or children and youth programs or policy development, we may have a position for you. Our committee volunteers have told us how much they enjoy giving back to their neighbourhood and we try to have fun while we support the group.

\*\*We are also looking for some help with Sears Round Up Day, a simple two-hour fundraiser in mid-October. Let us know if you can help!!

On **Sunday, October 16<sup>th</sup>**  
the **Leadership Team**

meets to **set goals and priorities** for this year.

Also invited: representatives from each of our committees.

If you have an idea or two you would like to share with the group or if you are interested in learning more about our committees...

**Call Jackie—821-9677**
