## With Many Thanks!

We had another fabulous summer at Waverley. The Leadership Team would like to thank our Summer Camp Team for all their help this summer—organizing trips, supporting staff and making sure camp ran smoothly. We would also like to thank our staff team, especially Nadine our fearless site supervisor, our Leaders-in-training, our trip volunteers, and most importantly our campers who made this summer AWESOME!

## ***Families & Schools Together—'FAST' A family outing and a free meal!***

Check out the information on this fabulous program on the Waverley Neighbourhood Group bulletin board in the school. The families involved in FAST last fall really enjoyed the program. If you have children in Kindergarten to Grade Three next year, we would love to have you consider joining us.

FAST is a great way to spend Thursday evenings with your family, getting to know other families, meeting school staff on an informal basis, AND you don't have to cook that night—dinner is provided!
