

Important Notice To All Guelph Area Real Estate Agents

Real Estate Agents are responsible for the following:

- Know where the three Guelph Termite Management Areas are located.
- Ensure disclosure that a property is located within the Termite Management Area.
- Ensure the property has a termite inspection.
- Ensure that prospective buyers are provided a copy of the termite inspection report.
- Ensure that prospective buyers are aware that the City of Guelph has a comprehensive Termite Control Program with which residents in Termite Management areas must comply.
